CITY COUNCIL

Met in Adjourned Session in the Council Chamber Last Evening—Contract Let For New Brick Streets.

The City Council met in adjourned session last evening in the Council Chamber and a very interesting meeting was held.

A building permit was granted the Day and Night Garage Co. to build a fire-proof steel and concrete garage on East Second street.

A communication was received from Mr. Schofield stating that he was unable to secure Peabody brick for his contract and asked the Council that he be allowed to substitute Portsmouth brick. By the vote of the council he was allowed to make the change. The brick will arrive in a few days and the work will begin immediately.

The contracts for the brick of Second street extension and of Carmel street were granted to Messrs. Vastine, Noland & Lowrey, the contractors for East Second street. They will begin work on these streets as soon as it is possible to do so.

Councilman Thomas reported to the body that the auditing committee of which he was a member, had found that they could secure a competent man to audit the books of the city and start a new and complete system of bookkeeping for about \$150. He was authorized by the Council to make a contract with this man and to bring it before the council for ratification.

After a long winded argument over the police force the Council adjourned.

HELD OVER TO GRAND JURY

William Gettis, a local painter and paper hanger, was given a hearing in Police Court yesterday afternoon on a charge of robbery. Gettis was charged with going to a room on Short street formerly occupied by Martin Fultz, who is now in jail for bootlegging, and taking ten dollars that was hidden behind a post card on the wall. He admitted that he had gone to the room saying that he had gone to find some whiskey that was hidden there. He was held over to the September term of the grand jury and his bond placed at \$250.

GEORGETOWN THREATENED WITH A DISASTROUS FIRE

Georgetown, Ky., July 7, (2:45 a. m.)—Fire that started here about 2:25 o'clock this morning threatened one block near the Lancaster Hotel. The Abbott livery stable burned with a loss of approximately \$5,000. It has not been ascertained if the horses were burned or not. Their burning would mean an additional loss of about \$3,000. The Stockwell blacksmith shop has burned. The Georgetown laundry, valued at about \$6,000, is now burning and may be a total loss.

The cause of the fire is unknown. All buildings in the block are of brick. The blaze originated in the livery stable, and had gained such headway there that it could not be checked.

START CONCRETING

The contractors, Vastine, Noland & Lowrey resumed the concreting on Bridge street yesterday and made excellent progress during the day. A wheel of the mixer had been damaged in moving it across the bridge hence the delay.

MISS ALICE NIELSEN

The Celebrated Soprano Did Not Appear Last Evening on Account of a Severe Case of Laryngitis Which She Contracted at Xenia, Ohio.

Miss Alice Nielsen, the celebrated soprano, who was to appear last evening and give her recital was unable to do so on account of a very severe case of laryngitis which she contracted in Xenia, Ohio. Miss Nielsen appeared on the stage to tell the audience how sorry she was not to be able to sing and she could scarcely speak above a whisper. It seems as if she was seated under an electric fan in the Ohio city, and the draft from it gave her a cold which, developed into laryngitis. She will be unable to sing for the next week as her throat is in a serious condition.

The Redpath people do not do things by halves. They have arranged for Miss Nielsen to return at a later date and give her recital, which will be about the first of September and all who were present last evening were given tickets that will be good on her return trip. Mr. McEwan, the superintendent, said that if need be the tent would be brought back, and everything made up to the people.

In a personal interview with the Editor of the Public Ledger last evening Miss Alice Nielsen said she was very much chagrined over being unable to sing here last night and stated, "I will be back in September to sing to the Maysville people if I am alive."

Miss Nielsen being one of the greatest sopranos in the world, is a most pleasant and charming woman and is accompanied on all of her trips by her private secretary, Mrs. W. E. Stickle, who is also a most entertaining woman.

It is to be regretted that Miss Nielsen could not fill her engagement here, as an elaborate program had been prepared, with all encores to have been of old familiar songs, many of which you hear her voice in the Columbia Records for which company she sings exclusively.

Maysville will be delighted to welcome Miss Nielsen on her return in September and she can rest assured the people will give her a hearty reception. One of the best musical programs ever held in this city was given in the place of Miss Nielsen. Her accompanying artists, Mr. Kirk-Smith and Mr. Reddick gave a short recital on the cello and the piano. Their music was wonderful. Mr. Kirk-Smith on the cello being a star performer on that instrument.

The afternoon lecturer, Thomas Brooks Fletcher, gave an excellent address. Mr. Brooks was met by a small audience. Dr. Fletcher is not a stranger to Maysville people as he appeared several years ago on the Lyceum platform. He is earnest, eloquent, dignified and dramatic and is acknowledged as one of the leading lecturers on the Lyceum platform. The tent crew left this morning for Athens, Ohio, where they will be for the next few days. Mr. McEwan made quite a number of friends during his stay in this city and he will be welcomed back next year if the Bureau should see fit to send him.

ALL NIGHT SESSION

The directors of the Ohio State League met last night in Portsmouth to discuss plans for the second half of the season. They held an all-night session and nothing could be learned of the meeting at press time this morning, further than the fact that the season would be finished.

Talk is going the rounds that the league is about to blow up. There may be two of the clubs drop out of the league but there are others waiting a chance to get in the league. Frankfort and Charleston are picked to drop but they do. Zanesville, Chillicothe and Ironton are anxious to secure a berth in the league and the space will be filled. The Lexington club will stick and the Portsmouth team is sure of staying. Maysville is somewhat doubtful but Huntington is assured for the rest of the season. Frankfort and Charleston are not in as bad a fix as they are figured by the knackers.

SOME RECORD

During the four-game series here with Huntington the Burley Cubs made a total of 66 hits and 55 runs or an average of 16½ hits and 13.75 runs a game. This is a record for the league and will probably not be duplicated in any other league this season. The twenty-three runs made in the last game on July 4 was also the league's record for the season.

The Washington Opera House will reopen this afternoon and a feature will be shown, "The Moment Before". During the vacation the house has been redecorated and now presents a beautiful appearance. The program for the week of the house will be found on the inside of this paper.

CARRANZA IS TOLD NOTE IS WELCOMED BY UNITED STATES

Washington, July 6.—The de facto government of Mexico was informally notified tonight through Eliseo Arrondondo, Ambassador Designate, that the United States welcomed General Carranza's proposal to adjust all pending differences between the two governments by direct diplomatic negotiation.

Mr. Arrondondo was informed of the American government's attitude in a conversation today with Secretary Lansing after the latter had conferred with President Wilson. Later a formal note will confirm the Ambassador's report. Mr. Lansing virtually had completed a draft of the communication tonight but it may be read to the cabinet tomorrow before it is delivered.

Immediately after the cabinet meeting Secretary Lansing plans to leave for a month's vacation. Counselor Folk will administer the affairs of the State Department in his absence and meet Mr. Arrondondo in the informal discussions at which a solution of the Mexican problems will be sought.

It was evident at the State Department today that officials believe an opportunity now has been presented out of which may come a means of giving the de facto government material and in restoring order throughout Mexico. It is known that the pacific nature of the Mexican note, which brought the crisis between the governments to an end, is construed here as indicating that General Carranza, besides being impressed by American military preparations, has been deeply influenced by the pressure and argument brought to bear on him by friends in the United States.

By European diplomats in Mexico City and particularly by representatives of many of the Latin-American powers. The latter have exerted themselves to the utmost to avert war and to foster in general Carranza's mind the idea of Pan-American unity.

MR. J. W. VALENTINE

Mr. J. W. Valentine of Rectortville was found dead in a field near home Thursday evening about 7:30 o'clock. Mr. Valentine had gone out on horseback and after having been gone an unusually long time search was made for him. He was found dead in a nearby field. Heart trouble the cause of his death. He leaves a wife and one daughter, Mrs. G. H. Turnipseed. The funeral will be held Saturday morning at the home with burial in the Maysville cemetery.

Miss Pearl Dodson of Cowan, Ky., is spending the week with relatives in this city.

Mr. Henry Shea has returned home after a business trip to Cincinnati and Chicago.

THEATER HELD

By Messrs. Arn and Simons' and the Place Will Be Closed For Some Time—Young Men Dismissed on Charge of Breach of Peace.

In Squire Fred W. Bauer's Court yesterday afternoon the two young men in charge of the Gem Theater were tried for breach of peace and were found not guilty by the jury in a very few minutes. The young men had been put at the Gem to prevent Mr. Mills from taking possession as he had intended to run the show until the court had appointed a receiver. Messrs. Arn and Simons claimed that they had a contract with Mr. Mills which permitted them to go in the theater and take possession whenever he failed to make a payment on his notes. The young men refused to permit Mr. Mills to enter the place and he swore out a warrant for them for breach of peace.

Mr. Mills was represented by Frank P. O'Donnell and Mr. Lee Wright Browning and Mr. Leslie Worthington represented the young men and Arn and Simons. Mr. Mills claimed that he had a right to carry on the business pending the appointment of a receiver by the Federal Court.

Mrs. M. A. Ruggles, Mrs. Mabel Gregg and daughter, Miss Sara Bernice, of Manchester, Ohio, are visiting Mr. and Mrs. Louis Behan of East Second street.
